

Dear future Fleet Partner,

Thank you for your interest in Aspen Auto Clinic's Fleet Service Program. Please make sure that you fill out the application listed on our website at AspenAutoClinic.com/Fleet-Service-Program. Let us know if you have any questions about the program or the application.

For more information on our Fleet Services Program, please see the following pages of this document.

We aim to have all applications processed and a decision made within 3-5 business days. We know that your fleet is an important piece to the operation of your business, which is why we treat all of our fleet accounts with high priority. Thank you for your patience as we contact your references.

Best Regards,

Aspen Auto Clinic

FAQ's

Does my fleet qualify for Aspen Auto Clinic's Fleet Services Program?

Any company that owns or leases 2 or more vehicles qualifies for our Fleet Services Program.

Is a warranty offered with this program?

Yes! Depending on which program you qualify for, you will either receive a 3/36 or 2/24 coverage on all parts and labor. Brakes are covered under our 12/12 warranty.

Why is it better to schedule an appointment in advance rather than walking in?

We understand that your business relies on these vehicles and it can be a real road block when something goes wrong. When you call ahead of time and schedule an appointment, our team will ensure that we have a bay reserved specifically for that vehicle.

Why do I receive a digital inspection every time my vehicle gets an oil change?

Our ASE certified technicians perform a full digital inspection and provide a comprehensive estimate before performing any work. This allows us to proactively prioritize the needs of your company's vehicles and ensure your maintenance costs are focused where they are needed the most.

Who do I contact if I have more questions?

Please see the next page for a list of our Fleet Program Management Team contacts.
